

A Report

Farmers Day and Doctors Day.

Date- 01/07/2022

A few days from now, we are celebrating Doctors Day. This day is celebrated to the birth anniversary of the great doctor and statesman of the country, Dr. BC Roy.. We are grateful for the contribution of doctors' during the corona period. Our doctors' have served us without caring about their lives.

Therefore this time National Doctors' Day becomes more special.

National Doctors Day as well as Farmers Day was celebrated by Global International School, Morochi on 1st July 2022 with great enthusiasm. The students from 6th to 10th Std. participated in different activities. Arya Sarudkar from 8th std. welcomed all the guests, doctors, farmers, teachers and students. Siddharth Sir introduced both programs. Saraswat Pujan done by all the dignitaries. Felicitation was done by GIS. Grade 8th students presented skit on the theme doctors' day. Grade 6th students performed farmer dance. Students from 8th std.gave information about doctors' day.

Our honorable secretary Dr. Yogita Nitave Ma'am guided about blood donation and who can donate blood? Informative speech was given by School Principal Sir. Inaugurated blood donation camp ceremony. Vote of thanks was given by Harshad Deshmukh from 8th. Std. Then blood donation camp started.. Other blood donors from teachers and respected parents. More than 35 people donated blood that was our great moto we completed. On the half of Dr. team Dr. Hanumant Mane Sir gave trophy and certificate to our respected Principal Sir. This is the way to we have completed our Doctors' Day and Farmers Day.
